

Spaghetti Westerns: the Good, the Bad And the Violent: A Comprehensive Illustrated Filmography of 558...

Spaghetti Westerns--mostly produced in Italy or by Italians but made throughout Europe--were bleaker, rougher, grittier imitations of Hollywood Westerns, focusing on heroes only slightly less evil than the villains. After a main filmography covering 558 Spaghetti Westerns, another section provides filmographies of personnel--actors and actresses, directors, musical composers, scriptwriters, cinematographers. Appendices provide lists of the popular Django films and the Sartana films, a listing of U.S.-made Spaghetti Western lookalikes, top ten and twenty lists and a list of the genres worst.
