

Warped: An Engaging Guide to the Never-Aired 8th Season (Star Trek: The Next Generation)

The official parody guide to the unaired eighth season of Star Trek: The Next Generation, based on the popular @TNG_S8 Twitter account from creator Mike McMahan! In the basement of the Star Trek archives, behind shelves of U.S.S. Enterprise NCC-1701-D models, bags of wigs, and bins of plastic phasers, sits a dusty cardboard box. Inside is a pile of VHS tapes that contain never-before-seen episodes and behind-the-scenes footage for something truly amazing. The world thinks there are only seven seasons of Star Trek: The Next Generation, but there's one more. A secret season. Actually, not really. But that didn't stop Mike McMahan, creator of the parody Twitter account @TNG_S8, from making a guide full of: REAL* TNG SEASON 8 FACTS AND STORIES! REAL* TNG SEASON 8 DIALOGUE AND IMAGES! (* Again, not really, of course. This is humor. Sorry.) So impress your friends and bewilder your enemies with your newfound knowledge of these very lost Star Trek episodes!
