

Concorrenza e Mercato. Antitrust, Regulation, Consumer Welfare, Intellectual Property (2013) (Italian Edition)

Concorrenza e Mercato (Antitrust, Regulation, Consumer Welfare, Intellectual Property) e la prima rivista annuale italiana specializzata in materia di concorrenza, proprietà intellettuale, pubblicità ingannevole e pratiche commerciali scorrette. Dal 1993 offre un panorama aggiornato della prassi e degli orientamenti antitrust nazionali e comunitari, nonché delle decisioni più rilevanti dei giudici civili e amministrativi. Inoltre, contributi dottrinali arricchiscono insieme degli strumenti di approfondimento dei temi più significativi e innovativi in materia antitrust e di tutela dei consumatori. La rivista ospita quindi le rassegne annuali che coprono tutti i settori del diritto della concorrenza italiano ed europeo, una selezione di articoli di dottrina a carattere scientifico ed una sezione dedicata alla pubblicazione di atti di convegni sui temi del diritto della concorrenza.
