

MONAD: The Awakening of Stella Steinar (Volume 1)

Stella Steinar, the adopted but privileged daughter of two renowned scientists is embarking on a new chapter in her life. Ignoring her steadily increasing headaches and visions, Stella is anxious to leave everything in Minnesota behind and anonymously begin again. Headed for Berkeley, fate has other plans for her. Whats about to happen in California will change everything she knows about herself and the world--forever. MONAD, the largest scientific research firm in the world, seems to be hiding a top-secret project. And who is in charge? Stellas adoptive father and Berkeley alumni , Dr. Erling Steinar. On her quest for the truth, Stella finds herself deeply entwined in the project--but is it too late? Will she have time to change the future and escape her inevitable destiny? From meeting the family shes always wished for, to exploring her spiritual beliefs surrounding life and death--follow Stellas story as it takes mysterious loops through time and reality.
