

Sticks and Stones: Life Lessons From a Lawyer

LAWYERS ARE PEOPLE TOO! Brief, easy to read stories remind us that things are not always what we think. Crisply written, some tongue in cheek, the stories make you laugh, cry, think, and feel. You will never look at the law, or life for that matter, the same way again. You'll be left with a sense that among the joys and triumphs and trials and sorrows, there is much we can learn from the law, and there is much the law can learn from us.
