Strategies for Trusts and Estates in New York provides an authoritative, insiders perspective on working with inheritance laws in New York. Written by partners from some of the states leading law firms, this book guides the reader through key legal issues, including asset protection planning, portability, and credit shelter trusts. From the role of trustees in estate planning to the inclusion of spendthrift provisions, these experts offer insights on concerns practitioners face when dealing with trusts and estates law. Additionally, these experienced attorneys examine recent trends and changes in both federal and New York state law that will affect inheritance and trusts. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today, as these experienced lawyers offer up their thoughts around the keys to success within this ever-changing field. Inside the Minds provides readers with proven business and legal intelligence from leading C-Level executives and lawyers. Each chapter offers thought leadership and expert analysis on an industry, profession, or topic, providing a future-oriented perspective and proven strategies for success. Each author has been selected based on their experience and C-Level standing within the business and legal communities. Chapters Include: 1. Kevin R.
