

Your Undergraduate Dissertation in Health and Social Care (SAGE Study Skills Series)

Your Undergraduate Dissertation in Health and Social Care provides a practical step-by-step guide to both the theoretical and practical aspects of the process of doing an undergraduate dissertation, equipping the reader with all the skills necessary to plan, conduct and write up a research project successfully. All the central topics are covered, with comprehensive information and guidance on crucial issues such as ethics, research governance and appraising the quality of the evidence.
