

Legal Aspects of Health Care Administration, Ninth Edition (and Resource Guide)

Legal Aspects of Health Care Administration, Ninth Edition continues to provide students with a firm foundation health care law and an overview of practical ways to improve the quality and safe delivery of health care. It presents a wide range of health care topics in a comprehensible and engaging manner that carefully guides students through the complex maze of the legal system as it impacts health care organizations. Actual court cases are presented throughout the book to bring the legal information to life and help students to apply the information to their daily professional lives.
