

Taming the Telomeres: A Thriller

A spellbinding Page Turner Gold Award Winner-2015 Readers Favorite Intl Book Award Contest (Fiction Thriller); New Apple Literary Award 2015 Medalist (ebook fiction thriller) #1 Amazon Store Suspense Thriller--May 2016 A survivor. A soulmate. A secret, affecting telomeres [tel-uh-meers]--the protective tip of the human chromosome that controls cell life. And death. High school senior Amanda Michaels suffers amnesia with regard to everything before the jet crash. She loses her parents and her memory in the aftermath, but miraculously survives. While recovering, Amanda strikes up a whirlwind romance with a young hospital volunteer, but only recalls a haunting series of flashbacks of her near death experiences (NDEs). Her uncle, high profile DC trial attorney Andy Michaels represents her and many victims against Hemispheres Airways. What to expect inside Taming: Explore the medical mysteries behind NDEs; Why cell telomere medical research is worth billions to the worlds superpowers; Peeks inside the USAs top secret Foreign Intelligence Courts; Spying. Covert Ops. Cover-up at the highest levels? As the major monetary settlements with Hemispheres are looming, both Amanda and her uncle Andy stumble onto evidence of possible sabotage of the jet and a link to her dads classified biological research on cell telomeres. Why was her dads research so valuable? Once Amanda learns she may possess biological secrets that powerful forces will kill for, she has no idea who to trust, unwittingly caught up in a web of biological espionage. The fast paced story moves between Middleburg, Virginia horse farms, Washington, DC, New York city and points between. A series of stunning twists unwind along the path to the unforeseen climax.??? If youre a fan of Baldacci, Connelly, or Grisham thrillers, Taming is a must read. Special Amazon E-Book sales price expires
