

Strategies for Family Law in Texas: Leading Lawyers on Analyzing Recent Legal Trends, Implementing Creative Strategies, and Overcoming Common Challenges (Inside the Minds)

Strategies for Family Law in Texas provides an authoritative, insiders perspective on best practices for handling family law matters in the state of Texas. Featuring experienced partners from across the state, this book unveils a detailed examination of the emerging trends and case law that impact family law practitioners on a daily basis. While discussing how Texas family law is unique, these top lawyers present proven tips for working on legal matters from divorce and custody cases to adoption and the representation of children. From initial client meetings to trial preparation, these authors guide readers through the process of building a successful strategy, including implementing settlement options and exploring peaceful alternatives such as mediation and collaborative law. These experts also divulge how to communicate effectively with clients when preparing them for trial and encountering emotional situations. Additionally, they reveal their strategies for thinking creatively, utilizing technology, and optimizing a family law firm. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today, as these knowledgeable lawyers offer up their thoughts on the keys to success within this volatile practice area. Inside the Minds provides readers with proven business intelligence from C-Level executives and lawyers (Chairman, CEO, CFO, CMO, Partner) from the worlds most respected companies and firms nationwide. Each chapter is comparable to an essay/thought leadership piece and is a future-oriented look at where an industry, profession, or topic is heading and the most important issues for the future. Each author has been selected based upon their experience and C-level standing within the professional community. Chapters Include: 1. Robinson C. Ramsey, Shareholder,

Langley & Banack Inc. - Only in Texas: The Successful Practice of Texas Family Law 2. Eric D. Beal, Founder, Beal Law Firm - The Fundamentals of Texas Family Law Case Strategy 3. George A.
