

Textbook on Contract Law

This ninth edition of the established Textbook on Contract Law by Jill Poole provides a wide-ranging and straightforward exposition of contract law. The text opens with an overview of the main issues surrounding contract law which places the subject in its wider context, then goes on to give a clear explanation of all the major areas of contract law encountered on undergraduate courses. Features of the book includes chapter summaries to draw key themes and issues together; examples and questions to encourage a deeper understanding of the often complex points of law; and extensive further reading lists of both texts and articles to guide students towards the most relevant and up-to-date resources available.

Online resource center Lecturer resources - Testbank of 150 multiple-choice questions Student resources - Guidance on answering questions in contract law - Questions and answers - Student questions - Updates - Web links
