

The Black Students Guide to Success

The Black Students Guide to Success is an inspirational and motivational title written by a young African American Surgeon. Dr. Roderick Claybrooks was compelled to write this book after meeting so many people in urban emergency rooms that were living beneath their potential and not utilizing their gifts. Dr. Claybrooks believes that there is tremendous potential in each and every one of us that needs to come out. He also believes that this same potential can rectify any uneven scenarios that we may have been born into. The Black Students Guide to Success has 22 informative chapters covering topics from the importance of environment to wealth. The book has something for readers of all ages.
