

The Book of Games

This book teaches readers how to play and win more than 40 of the worlds most popular board and card games. The rules and basic principles of each game, and many of its variants, are described and accompanied by helpful step-by-step diagrams. In addition there are sections on the most successful strategies and example games are played through with instructive commentaries. Table games such as backgammon, chess, dice games, hex, shogi and draughts, card games such as cribbage, bridge, solo whist, tarot, piquet and gambling games such as baccarat, blackjack, craps, new market, red dog, roulette and brag are included.
