

# The Complete Guide To Divorce Law

If you are facing divorce, THE COMPLETE GUIDE TO DIVORCE LAW can save you thousands of dollars in divorce-related legal fees, and can help to make your divorce process less emotionally traumatic for all involved. For a fraction of the cost of an hour with your divorce lawyer, THE COMPLETE GUIDE TO DIVORCE LAW will provide you with an easy-to-understand explanation of the divorce laws. THE COMPLETE GUIDE TO DIVORCE LAW will teach you the requirements for filing for divorce, how divorce courts divide property, whether you or your soon-to-be ex-spouse may qualify for alimony, what factors courts take into account when making custody determinations, and how much child support will likely be required in your case. The book will then take you step-by-step through the process of negotiating an out-of-court divorce settlement with your spouse by far the most efficient and cost-effective way to end your marriage.
