

The Converts Song: A Novel

A global manhunt sweeps up a former federal agent when his childhood friend becomes the chief suspect in a terrorist rampage. His hazardous stint in U.S. law enforcement behind him, Valentine Pescatore has started over as a private investigator in Buenos Aires. Then he runs into a long-lost friend: Raymond Mercer, a charismatic, troubled singer who has converted to Islam. After a terrorist attack kills hundreds, suspicion falls on Raymond---and Pescatore. Angry and bewildered, Pescatore joins forces with Fatima Belhaj, an alluring French agent. They pursue the enigmatic Raymond into a global labyrinth of intrigue. Is he a terrorist, a gangster, a spy? Is his loyalty to Pescatore genuine, or just another lethal scam? From the jungles of South America to the streets of Paris to the battlegrounds of Baghdad, **THE CONVERTS SONG** leads Pescatore on a race to stop a high-stakes campaign of terror.
