

## Business Liability Insurance Answer Book 2011-12

Business Liability Insurance Answer Book 2011-2012 contains answers to those common insurance issues that plague business owners and managers. Intended to be an easy reference guide that non-lawyers and business people could consult for use in risk management planning, Business Liability Insurance Answer Book 2011-12 addresses the most common forms of business liability insurance. Being held personally liable for a business-related decision is the nightmare of every company manager, officer and director. As a result of the recent economic downturn, the number of cases being brought against businesses and the people who run them has surged. Business Liability Insurance Answer Book 2011-12 provides a concise roadmap to the kinds of issues being litigated, and the types of liability insurance available to protect against suit and cover losses in the event of a successful recovery. Written in a clear and direct Q&A format, Business Liability Insurance Answer Book 2011-12 is a handy softcover volume that will be of interest to lawyers and other legal professionals, as well as the corporate managers, officers, directors and other employees whose liability the type of insurance protects against.
