

The Last Atonement

The Last Atonement, the sequel to the Revenge of Juny Bell Rogers, shares the final chapter of the eternal story of Hanna, Juny Bells grandmother. Driven to mental illness by her birth and marriage, Hanna commits murder, leaving her guilt ridden and tortured with thoughts of eternal damnation. After her death, her spirit cannot rest until it finds a way to atone. The Last Atonement tells the story of three ten year old children powerfully impacted, unbeknownst to them, by Hannas life and death.
