

The Dreamday Pattern Journal: Heraldic - Paris: Coloring-in notebook for writing, musing, drawing and doodling (Original Pattern Journal)

The Original Pattern Journals are a new concept in luxury stationery. Each journal contains patterned pages for coloring-in and doodling interleaved with blank pages for taking notes and drawing. Each has a visual theme associated with a particular period or place, whether Renaissance Florence, 1920s Manhattan, or Mid-Century Scandinavia. Composed of cream and gray stocks and featuring colored endpapers, richly patterned covers, and a bellyband, the journals are a perfect blending of the traditional blank journal and the current craze for coloring-in books. This is a series that can be used as beautiful, functional stationery but each volume will also become a unique personal notebook with your own designs and coloring. The first four titles in the series are: Renaissance Florence Art Deco Manhattan Heraldic Paris Mid-Century Modern Scandinavian Design
