

GRUDGE

A roller coaster ride of a legal thriller, this book keeps you in your seat, turning the pages until it comes to its unpredictable end. Organized crime, mixed with a real estate scam and a young well-respected lawyer make the recipe for this powerful cocktail of a story. In addition to being a first rate thriller, this story is set in some of the most visually intoxicating and affluent locations in the eastern United States, including St. Simons Island, Georgia and Newport, Rhode Island. The authors descriptions of these locations are dead on and will ring true to readers familiar with them. Readers who are not familiar with them will be prompted to visit. A must read, this book would make an excellent base for a blockbuster film.
