

The Horseshmith

Rhys Jones has it all, the looks, the talent, the will to succeed. Ruthlessly he thrusts his way to where he wants to be - the top of the National Hunt game. From the point to points of the Welsh countryside to the Championship races at the top tracks he proves he is something special. However, a name from the past is on course to prevent the young jockeys bid to make history. Is Rhys strong enough to withstand the punishments given to him? Can he jump the largest hurdle placed in his way?
