

The Intelligent Guide to Texas Holdem Poker

This concise, comprehensive guide, on Texas Holdem Poker is packed with tips and information that players need to know. For beginners, it explains the rules of Texas Holdem, basic strategy, and how to play in a cardroom. More advanced players, benefit from statistical charts, vignettes from actual poker games, and detailed information on how the social and psychological aspects of the game determine strategy. Readers also learn the unique view that an expert chess player brings to analyzing poker, as author Sam Braids compares and contrasts the two games. As a special bonus, the book includes an analysis of online poker, instructions on how to use a computer to play Internet poker, and explains the strategic adjustments necessary to succeed online.
