

The International Survey of Family Law 2014 Edition

This is the International Society of Family Laws annual review of developments in family law worldwide. Written by leading academics and family law experts, the 2014 edition covers developments in over 20 countries. Each article is accompanied by a French language abstract. The 2014 survey contains contributions from a diverse selection of countries where there have been important developments, including: same-sex families in Brazil * reforming the law on parental responsibility in Germany * an overview of adultery law in the Republic of Korea * protecting orphans and vulnerable children in Lesotho * family law in the new civil code of the Republic of Macedonia * customary polygamy, human rights, and the constitution in Papua New Guinea * etc. [Subject: Family Law]
