

The Jane Austen Miscellany

Entertaining and occasionally shocking facts and trivia about Austen's life and work. Two hundred years after her death, Jane Austen is the world's bestselling novelist. Readers seem to have a never-ending appetite for the swooning of *Sense & Sensibility* and the smoldering passion of *Pride & Prejudice*, resulting in a near constant supply of film adaptations and spin-off books. This book reveals the real Jane: bitchy, gossipy, and badly behaved at times as well as showing the side we all love: the writer, the sister, and the true romantic. It also covers her best loved characters like Mr. Darcy and Marianne, novel and film locations, gossip and flirting, hangovers and fashion, and holidays and writing advice.
