

The Law And Practice Of Secured Transactions: Working With Article 9 (Commercial Law Series)

Refreshingly lucid, comprehensive and accessible The authors have produced a much-needed map for the often treacherous terrain of Article 9 A welcome achievement. Columbia Business Law Review The Law and Practice of Secured Transactions: Working with Article 9 deciphers the Uniform Commercial Code and shows you how to apply Article 9 to your clients real-life situations. Through numerous practice pointers and hypothetical examples, the authors discuss: attachment and perfection of security interests; priority rules for competing claims to collateral; default, repossession of collateral; strict foreclosure and redemption; choice of law in multi-state transactions; fraudulent conveyance; and trustee avoidance powers under bankruptcy preference law.
