

# Butterworths Personal Injury Damages Statistics 2000

This reference is a spin-off from Division XIV of Butterworths Personal Injury Litigation Service and provides personal injury lawyers with all the basic statistical information they need to calculate special damages and future financial loss. It includes income tax and national insurance contribution rates for the 19902, retail price and average earnings figures, the latest version of Rodney Nelson-Jones interest ready reckoner, the whole of the third edition of the Ogden Tables and several years figures culled from the New Earnings Surveys.
