

Youre Wrong and Youre Ugly: The Highs and Lows of a Radio Bad Boy

Radio personality and equal-opportunity offender Sid Rosenberg shares all the stories listeners never got to hear when the microphones were turned off in this detailed autobiography. He leaves no one unscathed, calling out self-important people in every profession, including athletes, Hollywood hunks and starlets, and the next big things in entertainment. Despite the sometimes rough and opinionated takes in this book, many laughs are to be found within its pages.
