

## The Pride and Prejudice Companion: Includes Study Guide, Historical Context, Biography and Character Index

Jane Austens Pride and Prejudice is a true classic that people have appreciated for over a hundred years. The fact that it is a classic doesnt mean every reader will breeze through it with no problem at all. If you need just a little more help with Austens classic, then let BookCaps help with this simplified study guide! This annotated edition contains a comprehension study of Austens classic work (including chapter summaries for every chapter, overview of themes and characters, and a short biography of Stowes life). This edition does not include the novel. We all need refreshers every now and then. Whether you are a student trying to cram for that big final, or someone just trying to understand a book more, BookCaps can help. We are a small, but growing company, and are adding titles every month.
