

The Speciality of the House

Stanley Ellin's first short story, *The Specialty of the House*, about a New York restaurant with a special gourmet menu, was published in *Ellery Queens Mystery Magazine* in 1948 and caused an immediate sensation, winning him a special Ellery Queen Award. *The House Party* and *The Blessington Method* subsequently both won Edgar Awards. Stanley Ellin, who was made a Grand Master of the Mystery Writers of America in 1980, is acknowledged as one of the great masters of the 20th-century short story, and this volume brings together the best of his work in the genre.
