

Legal Eagles: Stories of the Top Seven Indian Lawyers

Harish Salve failed his CA exam twice. Mukul Rohatgi was unable to secure a place at the Law Faculty, Delhi University. Rohinton Nariman was trained to become a Parsi priest. Legal Eagles examines the lives and times of Indias top seven lawyers, who fought some of the countrys landmark courtroom battles. Tracing their journey from their childhood days to the present, the book highlights the important milestones of their careers, their victories and failures, their influences, and their work ethic and role models, demonstrating that the path to success is paved with determination, grit and challenges. Journalist Indu Bhan gives a ringside view of the most significant case handled by each of these lawyers, including the Vodafone tax case, Coalgate and the 2G spectrum controversy, among others.
