

## Toxic Blood

Introducing James Ford, private detective Stalking, kidnapping, and murder become the tools of a psychotic man determined to win the love he feels he deserves. Patricia Barker left Massachusetts and the job she loved working in obstetrics to escape the man who was stalking her. She accepts a nursing job in the Bentonville Dialysis Center. Brittany Combs, the clinic's Head Nurse, doesn't realize that the man who was stalking Pat has now decided she is a more appropriate love interest. Her life becomes a tangled and dangerous web as he draws her into his world by threatening her vulnerable patients if she doesn't give in to his demands. His vicious plot turns deadly hanging her life in the balance.
