

## Eldorado - The Definitive Guide to a Year in the Sun

When Eldorado burst onto our screens in a blaze of publicity on the 6th July 1992, the British public were promised a thrice weekly dose of sun, sea and sangria to forget the grey skies of Britains cold dark evenings. But within weeks of the European soaps birth, critics and viewers were calling for its end. And at one year old the drama fizzled out in the heat. This book charts the history of Eldorado from the beginning to the end and beyond. Recapturing those special moment until the sun set on the 9th July 1993.
