

Witch Way Home? (The Witch, the Dragon and the Angel Book 1)

Witch Way Home? is the first book in The Witch, The Dragon and the Angel trilogy. The Scott family are on holiday on the Isle of Skye when disaster strikes the entire world. Hurricane force winds destroy their home and a tsunami sweeps the island. Dad, Jimmy Scott, leads his wife, Sienna, and two children, Josh and Sam, up to an ancient fort, or broch, on the headland heckled all the time by his mother-in-law, Mary. Jimmy is convinced that Mary is a witch but before he can confirm this he is plunged into a supernatural world of fairies, elves, werewolves, dragons and a particularly attractive talking rat. Is Jimmy in a coma or is he really in Faerie land? Josh and Sam must help their Mum and Granny survive whilst conditions worsen on their island and supernatural forces start to leak into the normal world. Can the family save the world from total destruction? Paul R Goddard produces yet another masterpiece of imagination in this saga of multidimensional magical realism.
