

## The Family Is Made (Part 1) (Thuggin In Miami)

After the death of his father, Rich Kid takes his destructive, malicious, and loyal team of hustlers, known amongst them-selves as The Family, to the next level of thuggin. Using his relationships within the drug distribution realm, Richard catapults his growing empire, taking down anyone who stands in his way. Rich Kids Family soon becomes a force to reckon with; one that evokes fear in the hearts of all those who dare to cross them. The bloodshed, and bodies through the inner streets of Miami are the only remnants of this ghost crew; leaving detectives within all agencies baffled and astonished with the gruesomeness of the local murders. While hot on the trail, of what seems to be a small-time local drug dealer, the Drug Enforcement Agency investigates the street dealer named Richard Gary. The closer the D.E.A gets to Richard Gary, the more they find out about his alias, Rich Kid, who is well-known within South Miami, but the D.E.A. acts too soon. With nothing to hold him on, they hand Richard over to the federal government for tax evasion charges. With their leader behind bars, The Family must now learn how to operate without him. Will the mistakes they make rip them apart at the seams or will Richard find a way to avenge his crew from behind bars?
