

Tort Law: Text, Cases, and Materials

Tort Law: Text, Cases, and Materials combines incisive author commentary with carefully selected extracts from primary and secondary materials to provide the perfect balance of support and encouragement. The author introduces the fundamental principles of the subject before moving on to discuss more challenging issues, thereby ensuring a full understanding of the subject and encouraging an appreciation of the more complex debates surrounding the law of tort. The book is intended to be a stand-alone text and to provide students with a comprehensive source of relevant materials in this one convenient and easy-to-use volume.
