

Ultimate State

The coalition leadership in Syria and Iraq are reluctant to engage in strategic operations against ISIS, which would bring about the drastic reduction of ISISs occupation and terrorist activities. As a result of covert operations, a wake-up call for the coalition occurs when they see the positive outcome. During several missions, the assault team witnesses the devastating consequences of brutality, torture, and death of the innocent victims. The jihadists pay a heavy price for their nefarious actions...
