

Life Creative Mimesis of Emotion: From Sorrow to Elation: Elegiac Virtuosity in Literature (Analecta Husserliana)

Are emotions, feelings, sentiments not the stuff of literature? That is where they project their inner logic of aesthetic transmutation; there, beyond the instrument of language that they command. This collection explores how the lyrical virtualities of life-experience and the elegiac style in literature share a common core, lifting the human significance of life from abysmal vitality to esoteric heights, from abysmal grief to a serene reconciliation with destiny. The elegiac sequence in the play of emotions, feelings, sentiments brings together life and literary creativity in its transformatory power. With papers by A. Giuculescu, John McGraw, R. Ellis, A. Carillo Canan, B. Watson, S. Bindeman, R.J. Wilson, L. Kimmel, B. Prochaska, T. Raczka, Chr. Eykman, J.S. Smith, G. Scheper, S. Feshbach, I. Vayl, H. Rudnick and others.
