

TV Times Film & Video Guide 1999

Comprehensively updated from the 1998 edition, the 1999 Guide includes over 7000 movies covered in depth, selected by the TV Times own David Quinlan. Sharp critical review is backed up by a five star rating system from outstanding to poor. Each review includes running time, country of origin, release date, color or black-and-white production, and up to six of the major stars who appear in the film. Every film is also assessed for its suitability as family viewing. The ideal film companion for all the family from Britain's most acute and trustworthy film critic
