

## The Twilight Zone Radio Dramas, Collection 10

The Twilight Zone? Radio Dramas will keep you glued to the edge of your seat, whether listening in your home or while driving in your car. Each tale unites classic stories and musical scores with contemporary sound effects and readings by a distinguished lineup of guest stars. Adapted from original scripts written for the television show created by Rod Serling that aired from 1959 to 1965, these radio dramas were contemporized and expanded to accommodate a radio format. Serling's widow, Carol Serling, praised the radio adaptations, calling them "truly astounding." This collection includes ten stories: Miniature starring Lou Diamond Phillips, The Jungle starring Ed Begley, Jr., The Mighty Casey starring Paul Dooley, Ring-a-Ding Girl starring Sarah Wayne Callies, Mute starring Wade Williams; Black Leather Jackets starring Marshall Allman, A Quality of Mercy starring Robert Knepper, "Where Is Everybody?" starring John Schneider, A Nice Place to Visit starring Hal Sparks, and In His Image starring John Heard
