

How to Unleash the Power Within and Attract Money

In her groundbreaking audio program, *How to Unleash the Power Within and Attract Money*, Melissa Zollo explains that universal substance underlies all created things and money is simply the invisible made visible. Through the process of creative imagining we can impress our money blueprints and thoughts upon this inner substance, engage the law of attraction and bring the desired goal or circumstance into material form. Challenge your fear! Move out of a perpetual state (mindset) of poverty. *How to Unleash the Power Within and Attract Money* holds the secret to how financial and emotional security can be realized by living in accordance with spiritual laws. This do it yourself 4 hour audio program shows you how to: Activate your imagination and create for yourself an environment in which to grow in wisdom, happiness and wealth. Break the frustration cycle. Reverse faulty thinking. Defy doubts. Get comfortable with the idea that you deserve to be rich. Put your financial dreams into motion. Access a power which you can consciously use to create a fuller, richer, more rewarding and happier life. Align yourself with the universal laws of success and gain unlimited access into the workshop of imagination and its abundant rewards. If you're unhappy with the amount of money you're making - the only question you should be asking is *How wealthy do I want to be?* With *How to Unleash the Power Within and Attract Money* as your guide, there are no limits to the prosperity, happiness and peace of mind you can achieve simply by using the Power of Your Imagination. Your creative power is limitless. CD 1 This program will forever change how you think about your own thinking. It explains how to unlock your full potential and reach your financial goals using your invisible power. Learn what an image (mental blueprint) is; the law of consciousness; how to create a

wealth blueprint; and how to think yourself rich. Ms. Zollo gives us an in-depth understanding of the creative process. She teaches that by unlocking our full potential, money, wealth and riches are brought to us by the creative use of spiritual principles and our own wonderful imagination.
