

Utopia: TV Series 1 and 2 episode guide

Like the diseased opium dream of a Charles Manson groupie, the Utopia TV series ran for two glorious laps before it was axed with all the brutality it once showed its characters. Combining the paranoia of Edge of Darkness, the violence of Park Chan-wook and the absurdism of Vic Reeves it left a permanent dent in the minds of all who watched with its gaudy palette of yellows, cyans and magentas and its relentless bewildering action. TV critic James Donaghy recaps all 12 episodes of its run following Wilson, Ian, Grant, Jessica and That Other One on their perilous quest to stop the disgusting spread of Anus Philip Carvels darkest of dark projects. PLEASE do not read if you have any trace of human decency, sensitivity or good intention towards your fellow man. This probably wont be your thing. Move along, theres a love.
