

Need You Now LP: A Novel

New York Times bestseller James Grippando returns with a gripping new stand-alone novel: a story ripped from the headlines, in which a young financial adviser and his girlfriend uncover a conspiracy that reaches from Wall Street to Washington, from the trading floors of the Stock Exchange to the deepest halls of government. Like Grippando's recent bestsellers, *Afraid of the Dark* and *Money to Burn* as well as Grippando classics like *A King's Ransom* and *Beyond Suspicion*, the provocative *Need You Now* is a fast-paced thriller in which danger and conspiracy lie behind every plot and promise, and the future of the nation lies in the hands of an unlikely champion. Grippando grips from the first page. Harlan Coben
