

# The Instant Genius: An Indispensable Handbook for Know-It-Alls (SECOND EDITION) (The Instant Series 1)

This SECOND EDITION of The Instant Genius: An Indispensable Handbook for Know-It-Alls is off-beat, sometimes bizarre, even irreverent trivia at its best. With a snappy Q&A format and humorous clip art this book will amuse, enlighten and entertain. A great way to learn interesting factoids as well as a bit of just plain nonsense, you'll often find yourself smiling and even laughing out loud. The Instant Genius is not only a perfect party starter but a terrific companion with which to pass the time no matter where you are. Enjoy. It's a great ride.
