

Should I File Bankruptcy?

This book will give you comfort in making the right decision about eliminating your debt. Debt is a huge source of stress in peoples lives. Particularly in the current economy. There are few options available for eliminating this stress in your life. Bankruptcy is a tool that is available to many Americans suffering with debt. Many people dont know if they should file for bankruptcy. Traditionally the word itself was scary for most people to even say when they are talking about themselves. It was even scarier to have to take the step to seek out help and tell someone else that you may have to file for Bankruptcy. That stigma is a thing of the past. There are many good people that need to take action to eliminate their debts. This book takes a multipronged approach to getting you relief from debt. First, we discuss becoming comfortable with the fact that you need to take some sort of action to eliminate your debt. If you are searching for a book like this, you need a strategy to eliminate your debt. Next, we discuss whether Bankruptcy is a good option for your situation. This section includes the difference between using an attorney and filing yourself. If you decide to use an attorney we provide strategies to help you locate a good attorney in your area that charges reasonable fees. Finally, we discuss how to file a Chapter 7 Bankruptcy petition yourself. This section includes information on preparing a Bankruptcy Petition, filing the Bankruptcy case, and what to do after you file the Bankruptcy. We understand that suffering with overwhelming debt can be one of the worst experiences of your life. This book is will show you options for eliminating that debt. There is light and the end of the tunnel, but you have to take the first step.
