

## Dashiel Waitflaker: Dash-ing Through The Snow

It could have been the perfect Christmas, spent as close to the North Pole as possible, with elves, reindeer and a sleigh, a workshop full of toys, and the aroma of fresh gingerbread wafting through the air. There was to be a pageant, brimming with local talent, real Hollywood directors, and some big name acts. What could possibly go wrong? With Bambi and Dash, and an inheritance at stake, just about everything! They were planning a quiet winter on the beach in Cuba, but what resulted is not your typical Christmas story. There are no Christmas miracles, no inspiring messages of hope and love, no adorable children. Not even the Christmas cookies are sweet. Its Dash and Bambi, and that is a recipe for Christmas disaster. Christmas may never be the same again.
