

## Zannas Gift: A Life in Christmases

When the Pullman family lost their eldest son to an unexpected illness just before Christmas, it was devastating, especially to four-year-old Suzanna who shared a special bond with her big brother. Suzanna grew up to be a famous artist, but to her family, that last painting she made for her big brother was her most important work. This is the story of that gift and how it inspired the Pullman family to keep alive the spirit of love, imagination, and hope for generations to come.
