

Zero Alternative

Framed, hunted, betrayed Scott Walker is a fugitive from the quicksands of Finance, with one card to play DeepShare, a silicon oracle coveted by billionaires, hitmen and hackers. As he fights for survival and vengeance, digging deeper into the dark heart of the global economy, one question torments him: what price will the world have to pay? ZERO ALTERNATIVE is an action-packed conspiracy thriller that plucks at the base of human nature. When our grip on love, hope and morality starts to slide, the only future worth living is the one we choose for ourselves.
